

Administrative Procedure 7016

Learning Resources

1. The district seeks to provide a wide range of learning resources at varying levels of difficulty with diversity of appeal and the presentation of different points of view to meet the needs of district students.
2. “Learning resources” refers to any person(s) or material, whether acquired or locally produced, with instructional content or function that is used for formal or informal teaching/learning purposes.
3. The primary objective of learning resources is to support, enrich, and enhance the implementation of educational programs.
4. It is the responsibility of professional staff to provide students with learning resources that are appropriate to the needs, interests, and abilities of learners.
