

Statutory Compliance 3 – 3
School Fees

Guiding Principles

1. There will be no course fees for any Ministry authorized curriculum.
2. Schools fees shall not become a barrier to student participation in required activities or programs.
3. All fees shall be kept as low as possible, and be consistent with the needs of the programs.
4. Each school is expected to make every effort to keep requests for supplies to a minimum, and shall provide guidance in the selection of the most useful and economical materials.
5. School fees at each level should be as standardized as possible.
6. Each school shall have written school based fee waiver
