June 2020

Hello Parents:

I know it is only June, but it is already time to start thinking about school supplies for September!

For Kindergarten to Grade 3 (next year) students

This year we will again provide basic school supplies and school planners (or back and forth bags) to primary (kindergarten to grade 3) students. Instead of parents purchasing individual sets of supplies, we ask parents to pay \$45 to the school in **September** and we will purchase the supplies for each student. The goal is to better provide exactly what each child will need in their class next year and at the same time save parents some money. This allows each teacher to have the supplies they will use.

Kindergarten to Grade 3 students will have a \$45 fee (this includes planner/student fee of \$10) due in September.

For grade 4 to 9 (next year) students

Grade 4 to 9 students will provide their own supplies based on the supply list available on our school website and on the back side of this letter.

Parents can purchase them through TEACHER'S FILE, a local company (letter and form sent in separate e-mail) 10% of all sales go directly back to the school. These supply bags will be delivered to the school in September. The link to this option is on our school website or you can go to <http://packs.teachersfile.ca/>. There is a late fee of \$5 for orders placed online after July 15.

Of course, parents may also choose to purchase the supplies at other stores if they prefer.

Grade 4 to 9 students will have a student fee of \$15 due in September

Thank you,

Tracey Croonen
Principal
