RE-RUNS

1. Remember to see Brenda in the Office if you will NOT be attending Isfeld next year.
2. Honda Test Drive info slips for handing out are available on the table in Student Services.
3. The hardworking Lifeskills students who take care of this school's recycling would sure appreciate it if you didn't use hallway recycling centres as garbage cans. Taking care of recycling is dirty work anyway, but picking out garbage from the bins makes it just that much nastier and discouraging. Thanks for your consideration on this point.
4. All students who have submitted applications for Vanier's Explore 2019 you can now sign up for an interview time on the sheet posted on the window outside the student services office. Interviews will take place in the Explore classroom (Room 12) at GP Vanier at the time you sign up for. The interview is the final step to complete the application process!
5. Encounters with Canada is our country's largest and foremost youth forum. Every week of the school year, 120 to 150 teens from across Canada, aged 14 to 17 years, come to Ottawa to discover their country through each other, learn about Canadian institutions, meet famous and accomplished Canadians, explore exciting career options, develop their civic leadership skills, and live an extraordinary bilingual experience. The cost per student for an Encounters' week in Ottawa is \$750, including lodging, meals, most planned activities and local transportation. Travel to Ottawa from anywhere in Canada is entirely free. For more information, please see Mrs. Morris or Ms. Long in Student Services.
6. Unfortunately, grade 8 and 9 students are no longer allowed to spend lunch hours in Room 400 (computer lab). You know why!
7. ABED has invited Barb Whyte to host a plant walk on April 26. Come discover the healing native plants of the area.
8. Comox Valley Arts is looking for youth musicians who want to perform in our Youth Music showcase on Tuesday May 8th at the Cornerstone Café. If you're interested in performing as a group or soloist, please contact Wendy at choralvalley@gmail.com
9. Grads: We need help making signs for Sunday's Test Drive. Please see Brenda for more details.
