BRAND NEW! (First time announced)

For important but “previously run” current events and reminders, be sure to check the re-runs and items below:

1. SKILLS CANADA Provincials - In a photo finish, Kalyssa Heinrich placed Bronze in the Photography event and by ONE link away, Eony Kim placed silver in the website design event. **Congratulations** both of you and to all the competitors that went to the provincials.
2. **Congratulations** to the Junior Girls Soccer team for winning all 3 of their games in Campbell River yesterday.
3. The hardworking Lifeskills students who take care of this school's recycling would sure appreciate it if you didn't use hallway recycling centres as garbage cans. Taking care of recycling is dirty work anyway, but picking out garbage from the bins makes it just that much nastier and discouraging. Thanks for your consideration on this point.
4. There are several spots still available in the standard first aid level 1 course – OFA1. Sign up in the work experience office ASAP!
5. Comox Valley Arts is looking for youth musicians who want to perform in our Youth Music showcase on Tuesday May 8th at the Cornerstone Café. If you're interested in performing as a group or soloist, please contact Wendy at choralvalley@gmail.com.
6. Grads: We need help making signs for Sunday's Test Drive. Please see Brenda for more details.
7. A reminder to everyone to sign up with Abed this week; we are making beautiful dream catchers on Tuesday April 24th after TA with a presenter. They would make a beautiful gift for Mother's Day, which is just around the corner. There will also be a plant walk next week. See Jeannie or Vivyane for more details.
8. Today, we are having our Peer Support Group at 3:30 in the Abed office with Vivyane.
9. Don't forget that this Sunday, April 22nd, is the Honda Test Drive event. Grads: please check your shift on the Student Services window. Let Brenda know if you can't make it.
10. Art with Jeannie on Friday! Come get crafty.

The cost per student for an Encounters' week in Ottawa is \$750, including lodging, meals, most planned activities and local transportation. Travel to Ottawa from anywhere in Canada is entirely free. For more information, please see Mrs. Morris or Ms. Long in Student Services.
