4:00 – 5:30 pm	Instrument Rental Return	Multipurpose	Instrument Return

RE-RUNS

1. All NIDES materials can be returned to Mrs. Corman in the I.L.C. (Room 400).
2. Once again, Brooklyn Elementary, along with many other schools from our district, are collecting unused and gently used school supplies to support students from an elementary school in the Philippines. Local business owner Victoria McLeod has for years been collecting school supplies to donate to Lemery Elementary School, to help support this poor community where she is originally from. We are hoping that for the next two weeks, each school will place a collection box at their site and promote the donation of unused or gently used school supplies. **These supplies are ones parents choose to donate and it must be stressed that this is a completely optional program and that there is no obligation to donate. Please see Dawn in our office for further details.**
3. Summer Filmmaking Camp for any creatives, artists, filmmakers, or even actors/photographers. It would be great work experience and production experience to add to your resume. The camp is a crash course in storytelling, along with camera, lighting and editing training. The camp is July 4-8 and features tracks for 11-14, 15-19 and 20-29 year olds. Get information here: <http://www.thecreatorspace.com/filmmaking-camp/> Message from the director/producer: "Our latest film is touring film fests and getting international distribution and the film course is based on our journey as independent filmmakers." Trailer for their recent film: <https://www.youtube.com/watch?v=PcBBHGTKkdQ>
4. Summer Basketball forms for all grades – boys and girls – at the main office. First week of July.
5. The sign-up for next year's MITV is located on the door in Student Services.
6. Students going on the Italy Exchange, get a copy of your passport to Ms. Duncan.
7. The bursary program with the recipient's names are available in the office. Pick one up for a keepsake!

CAREER CENTRE/ WORK EXPERIENCE

1. Attention students: there are a couple of spots left in the MMC (Metal Mechanical Co-op) program for next year. This program is at Isfeld first semester and gives students lots of credits and a variety of experiences in the areas of Welding, Fabricating, Machining, Drafting, and Design... lots of field trips and hands-on experiences. If you are going into Grade 10 or 11 and would like more information, check in at the Career Centre (in Student Services) right away.
2. HMCS Quadra is looking to fill 100 kitchen staff positions this summer. No experience required. Must be at least 15 years old. Must be available July 1st – August 30th. Resumes are to be submitted directly to DNDQuadra@outland.ca For more information, please contact the Career Centre.
3. Students Work Painting is looking to hire students for summer painting jobs. See poster located outside the student services or contact the Work Experience office for details.
