STAFF

1. Deb McKillican is very excited about the 80's theme for Dessert Night. She is planning to dress up 80's style. Which staff member can give her a run for her money? Heather Corman?? Don't worry dress up is optional. By the way, you need to know that many grads signed up to invite their TA teacher and some were disappointed when a different student received the ticket to invite you. This shows their appreciation for their TA teacher which many of you may not see on a daily basis. Please consider this and how much the night means to them when you RSVP to Brenda. If you have any questions, see Catherine or Brenda.
