Local business owner Victoria McLeod has for years been collecting school supplies to donate to Lemery Elementary School, to help support this poor community where she is originally from. We are hoping that for the next two weeks, each school will place a collection box at their site and promote the donation of unused or gently used school supplies. <b>These supplies are ones parents choose to donate and it must be stressed that this is a completely optional program and that there is no obligation to donate. Please see Dawn in our office for further details.</b></li> <li>7. Thank you to all the Ab Ed Leaders for all their hard work, efforts, enthusiasm, generosity and leadership attributes for this school year. Our Wednesday Leadership meeting is cancelled. However, all Leaders are invited to the Maori New Zealand Dancers in the Multipurpose Room from 1:50 to 2:00 on Wednesday afternoon.</li> <li>8.
