9. A belated congratulations to the Isfeld Junior Girls Soccer team for their very successful season this year. A total of 30 girls from Grade 8 to 10 came out this year to participate on both a Competitive and Developmental Squad. The Development team won all their games this year. The Competitive team advanced to the North Islands where they placed 3<sup>rd</sup> overall, only losing to a very strong NDSS team, and qualified for the Island championships. At the Islands, the girls battled hard against NDSS and Oak Bay and earned a comfortable victory over Francis Kelsey in pool play.
