

ISFELD-GERMANY STUDENT EXCHANGE:

Fall 2019 and Spring Break 2020

Isfeld students are invited to join in on an exchange to Ulm, Germany through an exchange with students from St. Hildegard School.

As an exchange participant, students from Isfeld would host a German student in their home for two weeks in late October, 2019 then return to stay with that family in Ulm around spring break, 2020.

As a host, you and your family would look after your German student most evenings and each weekend while they are here, and students would participate on select excursions and school-based activities on school days.

On the return trip to Ulm, Isfeld students will participate in class sessions with their exchange student, go on field trips and visit neighbouring cities and historic sites. There is also a possible side trip excursion for a few days to another city such as London, Paris or Barcelona.

The anticipated cost will be around \$3000, - with a commitment to hosting and small deposit needed by Jan. 15/2019. Email Mr. Bos jonathan.bos@sd71.bc.ca for more information.
