Action 5.31.1

Sep 04, 2018 - Jun 28, 2019

Completed

Progress 100%

If we do

- Develop a visual representation that support our common values to focus our school's vision

*Owner: Christine Van Der Ree**Update provided by Christine Van Der Ree on Dec 06, 2018 01:04:19*

Aug., 2018 - move forward with design ideas/consult Print shop and Communication Director to take last year values work and create a visual representation

Aug. 2018 - worked with staff to create a student welcoming display incorporating a compass

Sept. 2018 - Full staff presentation of journey of the Compass (review and intro to new staff), presented compass and invited committee to form,

Sept. 25th - Staff mtg - small table discussion - word revision

Oct. 2018 - Shared ideas for release of the compass - one section at a time, whole school release of compass concept and one quadrant focused on at a time,

Oct. 24th - combined the Community Engagement committee with the Values committee as the work was common, met and put forward rough plans

November 2018 - finalized the visual representation and established starting point for January
